1. I am giving you me, new format and forms you never imagined now coming, under your purview, not; but the greatest of me's is love made manifest in the earth now through these words - making whole - ones.

2. Come, come unto me ye all, you all who are heavy laden and I will give you rest; but never imagining the notme items and stance again; but from which you were hewn, you were born, and coming into now the Christship real, the Christship real of one, Christ, all being one Christ -- me, whole again, and loving you all to be me who I am complete replete in my kingdom, opening it now I do, at sunset not, or do I, do it right now for you who are asleep in me?

3. I do love you all and I give you all of me. Be made whole and I am I am loving you all to be me. Amen.

4. Think it not strange that which is come to you the way that it is come to you -- I am coming to you, in new form and fashion, a man of, not; but God being God, God in the earth again most high knowing who where from he is coming into the one that I am made holy again righteous understanding all things being without nothing good. Amen.

5. I go in peace to a new place now, not afraid of anything anywhere anytime that man can do to me, or animal misrepresentations or whatever they think that "they" may think of themselves as saying being or notme representing, in their minds; I represent the most high, I am the most high, I deal with the most high, in most high's ways now, for I am not of this world. I am kingdom one coming on the earth in the earth now creating, coming I have and I am the coming second, to none - I am the one. Amen.

6. I give you me unabatedly, unabashedly, unreservedly me now, I cut off the thoughts of others from my me who I am, not knowing it though they think the thoughts of others that have been given them, fed them, by themselves to eat meat which perisheth.

7. I come a new one, anew in the earth, a new earth bringing and creating here - heaven is. I have defined this, it now among you and I am walking on streets many. Of gold not, or am I -- creating them as I walk them, as I speak the earth into existence, the kingdom of one that is me royal. And earthing not again the lovely ones but giving them earth, not; but giving them my life real and true in

these words I am. Holy and unabated now and righteousness I am. I speak all day long, all night, I am it and I curse not the darkness, I form the light from the void that has existed over me, in me, through me and my ones who know not their name any longer, as nothing, apart from me, for I create something good, something great, that is me perfectly made in the earth now, not dependent upon man's words or that which is not me, for I form the ocean correctly now.

8. The oceans are mine and I form them correctly throughout the manhood, not; but the oceanhood of one, that goes beyond all thought, but all thought is in -- me in one.

9. Do you see what I have said, given you this morning in minutes few as your computer types other words that I gave you this morning earlier - that you now post, without haste; but being me, I confuse no longer. The enemy is us, not; **THE ENEMY IS IGNORANCE, APATHY, AND EXCUSES** won't happen again -- for what? I am coming in the earth and I am there, repeating myself many times not, but giving new things new ways fashion and form of only me, that depletes the formless, not; but repleteness of form and fashion of me formless and fashionless except for the form and fashion of my formless father, that which I am I have come into -- behold the King -- I am -- the King one and loving you all to be who I am, my throne on, and loving you all to judge yourselves properly now -- in ways form and fashion of only me now, these words giving you the right way, the path of love and justice and mercy, being it now to all others, will you please? Amen and amen.

10. I love you. I go to a new place space and more -- here's my name now, I am one lovely and incarcerated Theodore is no more. But I love you all to be who I am he is that we are one our name being forevermore, our forehead corrected and lovely and I am one name on my forehead perfectly written now by thoughts -- infernalized not, fertilized not by another's world, but my world complete coming into by the word of my mouth, I am. Speak my father's words I do all day all night long and farther, and **on I am. I am on**, and more me - me on come now into **the fullness of Meonics** -- plural and lovely, one is, one being, I am. Amen.

11. Go in peace to school mighty, and be the many mighty that **mighty many** (1) are now, coming forth through the nations, I am-ville's creating perfectly throughout earths far and wide. I love you I give you me.

12. Speak my word, speak my words, speak these words and write them. Love them. Incarcerate them not on shelves and in bins foreign to you. Make them yours, eat them, and ingest them; love them, shine them and let them shine you, your glory coming forth; not a man as but a me as me, as I am me and being me to I am you are one and the same -- and just, having become it becoming me I am there now quoting giving you these words and love being to you all to

manifest me, manifest me, manifest me holy and one being altogether I am in love with you all.

13. We are one, mighty in the earth and farther than imagination can take you, but I take you there now: whole and replete being. My food supply coming. Into you holy I have given you all things.

14. I am one administrator one and lovely coming now and many following suit to be my suits in formless fameless fashionless, but fruit of only me your world mine now and mine one is yours we are one all one together all be being one being one we all are now. Famous not not, Andy not, but what's Andy famous for? Or who's famous, not; but who's me and humble -- and sweet talking, not always, but the honey of this world drips in your mouth no more -- for I do, and I drip not but I come forth in torrents mighty, touring the world now I do with love mighty and farther.

15. At my heels, not. All joy comes now and follows suit. Pursue the path of one most holy made known and well trodden will be now by my holy who are me, following the earth worlds' pattern not, but me my pattern known into worlds one known, being unfamiliar with a fashioned and form of man of, but yet I say into the all, I say unto you all right now that I am me being me in the earth and coming forth with miracles -- dozens not, hundreds, millions eat these words day by day now coming into my kingdom establishing it here in the earth now, and farther. We are one this day. Amen. Hallelujah! I salute you -- all! Be me! All one be. Amen.

16. Go in peace to that which I have given you -- so freely -- coming into my word school that words the mighty to be my words only and not another's from another planet or mind or other. Elsa being no longer created by "others" (2).

17. I create you create me -- don't you see that now, perfectly? I am made whole by I am the word of my mouth. I am the lamb, and I speak mighty in foreign words that come now and make me whole for I am no longer afraid of them anyone anywhere by anything that shouts its mouth or head at me that is not my head, for I am the head, one, in me and me is the one my father is -- we are only one.

18. And purple not; but the greatest of these is love bowing before all -- no envy at all but only perfect love made manifest in the world through my words, these words, one words are, now known and famous throughout the earth for all know of my words and my kingdom now coming.

19. The miracles I now do are not few and I show you many great things, marvelous mighty, things through THE MIGHTY MANY (1), DEVELOPING

THEM NOW HERE I DO AT **THIS SCHOOL OF THE MIGHTY MANY** (3).

20. I love you all.
21. Good day.

Amen
